COLOR DESCRIPTION

My suggestion for the treatment of the photograph as to proportions to use is indicated by the cut out cover over the photograph, but treat it as you think best for a Blue Sky card. I would like to retain the lamp post at the right and the flag pole at the left. (put a flag on it) even though the flag pole in on the opposite side of the street, because this is the front lawn of another public building. Bldgs. at each side can be subdued, but I do not think it best to eliminate them entirely.

COLOR DESCRIPTION

The buildings of the Home are all redd brick, trimmed in white and slate roofs, all of them in coloring similar to the building on post card 99394. The color of the farm building in the rear is gray with slate roofs. The swimming pool is in the right rear between the forests of trees and should be brought out prominently if possible. You will of course use your own artists coloring for the general landscape. The road running in an irregular circle and passing in front of the main building is built of tarvia and the steps leading up to the main building are cement.

You will also note that the exterior paint job of the Streamliner City of Portland has been changed considerably from that shown in your present postcard. The black and white photograph shows it to some extent, but for your information the nose of the train is the same as that of the City of Los Angeles. The brown striping, however, instead of coming to a point at the sides of the grating continues around inx a circular direction toward the bottom of the car where it joins the brown belly. This brown striping is, of course, outlined on both sides with a small red stripe. The pilot's cab and that portion of the top of the cab extending back from the headlight is all of the canary yellow. The pilot or "Cow Catcher" is brown the same as is shown on the City of Los Angeles card.

COLOR DESCRIPTION

COLORS ARE THE SAME AS "CITY OF PORTLAND", NO. 5A-H1200, EXCEPT THE FRONT END ARRANGEMENT IS CONSIDERABLY DIFFERENT. THE BROWN FROM THE ROOF TAPERS TO A SHARP POINT ON EITHER SIDE OF THE NOSE AS SHOWN IN THE PICTURE, AND THE RED STRIPE BANDS BOTH SIDES OF THIS TAPERING PO NT OF BROWN. THE LOWER BAND OF RED EXTENDS AROUND THE FRONT OF THE POWER CAR JUST ABOVE THE PILOT. THE PILOT IS BROWN, BUT THE NOSE AND TOP OF THE CAR BACK TO A POINT PARALLEL WITH THE LAST LETTER IN THE WORK "PACIFIC" IS YELLOW.
